Letter No. 1119-32 dated 15-8-1933.

Forwards for orders of Government a representation
presented by the members of the Representative Assembl
of the Hassan Dist. requesting the preparation of
supplemental Voters' list for reasons explained &
suggests that a supplemental list may be ordered
to be prepared for such Khatedars referred to therein.

As per rule 28 of the R.A. Electoral Rules
(page 13 of the R.A. Electoral Rules) it is clearly
stated that the Electoral Rolls finally revised
and published shall be in force for a period of 3
years or for such period as the Government may prescribe
and it has accordingly been decided in notification
No. RL 24/R.A. 26-32-38 dated 11-7-1933 that there
is no necessity for the preparation of fresh Rolls.

The recommendation of the Deputy Commissioner
Hassan District is that many of the Khatedars who
have acquired lands subsequent to the preparation of
Voters' list will lose the privilege of voting at the
coming elections and that in view of the fact that
more than a year would elapse between the date of
preparation of the 'Voters' list and the date of Election,

a supplemental list may be ordered to be prepared for such thakadars.

4 The electoral roll already prepared was in connection with the elections originally proposed to be held on 15th July 1933. Now that the elections have been postponed to 3rd March '34, it is likely that several changes will have taken place during the long interval in the voters' lists. The D.C. therefore suggests the preparation of supplemental lists embodying all the additions and alterations. The rules as they are now do not require the preparation of fresh rolls within 3 years from the date of their final publication. ~~as per rule~~

9 According to Rule 28 of the Representative Assembly Manual and Rule 24 of the Legislative Council Manual, the electoral rolls already published will serve for three years or for such period as may be prescribed by Government. The final lists for the rural and urban constituencies after hearing claims and objections were published about 25th May 1933. The date of the election was adjourned from 15th July 1933 to 3rd March 1934. It has been ordered by the Dewan on 8th July 1933 that the electoral rolls already published may be used for the elections in March next and that it is not necessary to prepare fresh rolls. Instructions have accordingly been issued to the Deputy Commissioners.

10 There are three Representations sent now for discussion in the Representative Assembly in which the prayer is that the voters lists may be prepared afresh and published, or that supplementary lists be issued.

// One Representation is that the lists be prepared afresh. If this is done, it will involve the publication of the lists. We have already spent about Rs. 8,000 to Rs. 10,000 on the printing of these lists and for printing again there will be an expenditure of another Rs. 10,000. Further, it will involve much time and work on the part of the District authorities.

12 The two other Representations suggest that the present lists be kept and that supplementary lists be issued after calling for objections.

The rules do not permit of such a procedure. According to Rules 21 to 28 of the Representative Assembly Manual and Rules 18 to 24 of the Legislative Council Manual, the rolls have to be prepared and published by the District Authorities, claims and objections ^{are to be} ~~are~~ called for in respect of these rolls and after they are decided, the amendments ^{are} ~~are~~ published. Unless a list is published, there is no scope for calling for objections and claims.

13 It is possible to publish the lists already prepared and call for claims and objections in respect of them. In order to do this, these lists will have to be reprinted (as there may not be sufficient number available for republication) and it will mean extra cost ~~of Rs. 10,000 to Rs. 12,000.~~

14 If it is thought fit to allow the representation, the best course would be to republish the lists already prepared ^{after} getting more copies reprinted in such of the places where the printed lists are exhausted, then call for claims and objections and publish the amendments. The cost will depend upon the number of lists that have to be reprinted.

15 The discussion in the Representative Assembly may be watched.

OFFICE OF THE SECRETARY.
17 AUG. 1933
REPRESENTATIVE ASSEMBLY
AND
LEGISLATIVE COUNCIL.

Sir,

I beg permission to represent the following few lines to meet your kind consideration and favourable and early orders:-

I am a native of Gulbi town in the Tumkur District, and stand as a candidate for the Representative Assembly in the impending elections. Having read the Government notification no. R1. 7712-R.A. 26-32-34 dated 16th June 1933, published in the Mysore Gazette of July 13, 1933, Part III-I PP. 632-33, I come to know that the Electoral Rolls prepared for the elections already will stand unchanged under rule 28 of the Electoral rules of the Representative Assembly. This order, I may be kindly permitted to state, is very disadvantageous to both the Electorate and the Candidates - to the Electorate because all the deserving voters will have no scope to vote, and to the Candidates because their prospects of securing votes will be considerably handicapped for the following reasons:-

Firstly, these elections under the previous orders of the Government had to take place on the 15th July 1933. But under the special orders of the Government they were put off to the 3rd March 1934. By this a delay of eight months is caused. During this long period several changes in the Electorate are likely to occur. The Rule no. 28, noted above is meant, I think, for elections under normal circumstances. But under the present special postponement of the elections, some special provision to meet the shortcomings in the Electoral rolls is found necessary.

Secondly, during this long period intervening the past and the present dates fixed for elections, some deaths may occur among the voters, and their successors will find no scope to vote, if no provision is made to supplement the existing Electoral rolls.

Thirdly, new members qualified to vote may rise up during this period by securing additional property either by transfer of property by sale or bequest. These shall have no place in the present Electoral rolls, if they remain unsupplemented.

Fourthly, during this period Graduate officers who have powers of voting are likely to be transferred, and those who will occupy their places will not be entitled to vote, if the Electoral rolls already prepared were to remain as they are.

Fifthly, in this intervening period, Graduates living in the electoral area are likely to leave the area, and new Graduates are likely to get in. All these will have no chance to exercise their right of suffrage under the present orders of the Government.

In short, by the retention of the Electoral rolls already prepared, several deserving candidates are likely to be excluded from the Electorate, and the number of voters is, in all probability, likely to become much reduced. This will surely result in frustrating the hopes of the Candidates.

Therefore, I humbly request you to kindly consider the case in all its aspects, and to pass orders for preparation of a Supplementary list to the existing Electoral Roll, which will not only satisfy the Electorate and the Candidates but also save to the Government the trouble and waste of time required for preparation of a Revised list. I further request you to kindly include in the Calendar for the Conduct of Elections the date for the preparation of the Supplementary list.

For this act of kindness I shall be highly grateful to you and obliged,

I beg to remain

Sir
Your Most obedient Servant

SIR,

I have the honor to forward herewith for the orders of Government a representation presented by the members of the Representative Assembly of this district at the District Head-Quarter Meeting held on the 14th instant for selection of subjects for the ensuing Dasara Sessions, praying for the preparation of a supplemental voters' list in connection with the election to be held on the 3rd March 1934, for such of the khatedars as have acquired lands subsequent to the preparation of the voters' list in January last for the elections ordered to be held on the 15th July 1933 and which have been ordered to continue to be in force as per revised calendar, and to state that, in my opinion, a supplemental list may be ordered to be prepared for such khatedars, as otherwise, they would lose the privilege of election and more than a year would elapse between the date of preparation of the voters' list and the date of fresh election.

SUBJECT:- PREPARATION OF FRESH VOTERS' LIST
FOR THE REPRESENTATIVE ASSEMBLY.

11 12 13 14 15 16 17

Respected Sir,

The undersigned public men of Devanhalli beg to submit
as follows and pray for favourable consideration.

1. The Government have ordered that the postponed elections, to the Representative Assembly will take place on the basis of the Voters' List which was prepared for the triennial elections which had to come off last March.

2. This will deprive the right to vote of persons who have since qualified themselves to vote, and who are a considerably large number.

3. It is usual to have the list of voters brought uptodate.

4. Otherwise the results of elections will give room for needless litigation and this is a matter for serious consideration, because it affects the whole state.

5. The preparation of new list or revised one or even a supplemental list will not cost much, considering the importance of the subject matter.

Wherefore, the undersigned humbly pray that a new list or a revised one or at least a supplemental list may be ordered to be prepared and elections held on that basis.

We beg to remain,
